Refurbishment of Coastal Home

Talus were engaged to design and refurbish this early 1900s home which had been left to fall into serious disrepair. Whilst retaining all the period features a master bedroom with bathroom was created on the first floor and a courtyard was built to the rear that provides a sheltered outdoor space away from the sea winds.

Client:
Private

Project:
Refurbishment of detached house, garage and gardens

Architect:
Talus Architecture

Value:
£155,000
